SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 0.81± acres of airport property at the Curtis Municipal Airport (47V) under the provisions of 49 U.S.C. 47107(h)(2). On April 30, 2018, Mr. Schultz, the City Clerk of Curtis, NE requested from the FAA that approximately 0.81± acres of airport property be released for sale to the City of Curtis for them to sell to the Welch Seed LLC for a portion of their agricultural seed sales business. On June 7, 2018, the FAA determined that the request to release property at the Curtis Municipal Airport (47V) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The following is a brief overview of the request:

The Curtis Municipal Airport (47V) is proposing the release of airport property totaling 0.81 acres, more or less. This land is to be used for a portion of an agricultural seed sales business. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Curtis Municipal Airport (47V) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. § 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at the Curtis Municipal Airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under FOR FURTHER INFORMATION CONTACT. In addition, any person may,

upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Curtis Municipal Airport.

Issued in Kansas City, MO on June 7, 2018.

Jim A. Johnson,
Director,
Airports Division.
